# Elisha Perez nominated as a finalist for Queensland Law Society Graduate Lawyer of the Year

**Date: Monday July 13, 2026**

We celebrate the recent nomination for Elisha Perez, Graduate Lawyer of the Year. This nomination reflects well-deserved recognition of Elisha's hard work, dedication, and commitment to excellence.

Elisha joined Gilshenan &Luton as part of our inaugural 2026 Graduate Program, one of four graduates who helped shape what has been a landmark year for the firm's investment in the next generation of legal practitioners.

In a relatively short period of time, Elisha has progressed from graduate to admitted solicitor, earned her practising certificate, and made a significant contribution across a range of complex matters. Her enthusiasm for learning, willingness to embrace challenging work, initiative in supporting her colleagues, and commitment to continuous improvement have made a lasting impression on everyone who has worked with her.

Well done Elisha! Wishing you continued success and every opportunity as you take the next steps in your career.
